

Michael LaMotte

Senior Managing Director
Guggenheim Securities

Michael LaMotte is a senior managing director in the Energy and Power Group of Guggenheim Securities. He joined the firm in 2010 as a founding partner of the equities business, where he served as head of energy and environment research and as a member of the Research Oversight Committee. Prior to joining Guggenheim, LaMotte was the head of Americas Energy Research at JPMorgan Securities, Inc., where he was recognized repeatedly as a top analyst by *Institutional Investor* magazine and the Greenwich Survey. He has over 30 years of energy finance experience.

LaMotte serves on the advisory boards of the Maguire Energy Institute and the Spindletop Fund at Southern Methodist University.

He received his BA in economics from Vanderbilt University.
