

**Kenneth Posner**

*Managing Director,*

*Morgan Stanley*

Mr. Posner is a managing director and head of the mortgage finance and specialty finance equity research team. Prior to joining the Equity Department in 1995, he worked in Morgan Stanley's investment banking group, where he focused on commercial real estate transactions. He previously served as a captain of infantry in the Army, and was airborne- and ranger-qualified. He holds the Chartered Financial Analyst designation.
